5313 Decker Dr. ▪ Baytown, Texas ▪ 77521 ▪ (281) 838-4477 ▪ bayarearehab.org ▪ March, 2022

## AQUATIC EXERCISE RATE INCREASE

As a result of constantly increasing costs, as well as the fact that we have not had a price increase in our program since 2015, effective April 1, 2022, our pricing will increase as follows:

### \$70 Per Month

This will include any class meeting three times per week.

### \$55 Per Month

This will include any class meeting two times per week.

### \$8 Per Day

This is the new walk-in rate.

The Bay Area Rehabilitation Center Aquatic Exercise Program offers the following benefits:

INDOOR WARM-WATER JUNIOR OLYMPIC SIZED POOL ▪ ATTACHED HOT TUB ▪ RAMP & LIFT CHAIR  
LARGE DRESSING ROOMS WITH SHOWERS & PRIVATE DRESSING AREAS  
ENTHUSIASTIC CLASS DIRECTOR ▪ LOW & HIGH INTENSITY GUIDED CLASSES  
LIMITED CLASS SIZE ▪ CLASSES DESIGNED WITH THE SEASONED CITIZEN IN MIND

## WANT ONE MONTH OF AQUATIC EXERCISE FREE?

By assisting Bay Area Rehabilitation Center in recruiting participants for the Aquatics Exercise Program, you have an opportunity to get a free month of water exercise for yourself. If you refer someone to Bay Area Rehabilitation Center for aquatics exercise and that person pays for two months of aquatic exercise, then you will receive one free month of water exercise classes for yourself! *You can refer as many as you like!* This offer may not be combined with any other water exercise offers. For example, if a new client uses the one free class offer, you would not be able to earn a free month .
